9:40-9:55	Keynote Address : Ms. Winnie Wang, Senior Transport Specialist, World Bank, Sri Lanka
9:55-10:05	Chief Guest's Speech : Prof Kapila Perera, Secretary, Ministry of Education
10:05-10:10	Online Conference Guidelines

Technical Session 01 (Duration:10:10 - 11:25)						
Track No.	A1 (Link : Room A)		B1 (Link : Room B)		C1 (Link : Room C)	
Session Name	Transport Externalities and Policy Interventions_1		Transport Operations_1		Transport Planning_1	
10:10-10:35	A1.1	Service quality management of freight forwarding industry by using Information Technology in an epidemic situation <i>Kavindu Delpachitra, Chamath Ekanayake and Sandun Matharage</i>	B1.1	Application of Dynamic Traffic Assignment and Determine Model Parameters for Urban Traffic Conditions in Sri Lanka <i>Pandige Ramesh Dimuthu Fernando and Handun Neththige Prasanga</i>	C1.1	An investigation of the effects of new bypass roads on build form in small towns in Sri Lanka <i>Sakunika Sewwandi</i>
10:35-11:00	A1.2	Self-reported Habitual Practices and Perceptions of Young Drivers in Sri Lanka <i>H.M.M. Firdhaws and Niranga Amarasingha</i>	B1.2	Vehicle Kilometers Travelled Estimates Using Household Travel Survey in Sri Lanka <i>Sarala Gunathilaka and Niranga Amarasingha</i>	C1.2	Development of the VISSIM model for traffic simulations of the compound junction at Peradeniya <i>Kasun Thalagaskotuwa, Pulasthi Ranasinghe, W.R.S.S. Dharmarathna and I.M.S. Sathyaprasad</i>
11:00-11:25	A1.3	Network Centrality Assessment (NCA): Assessing the Transport Networks' Resilience to Urban Flooding <i>Hasintha Nawod Kalpana, Amila Jayasinghe, Chethika Abenayake and Naduni Wijayawardana</i>	B1.3	Factors of Improving Bus Transferability as the Choice Mode of Passengers at the Bambalapitiya Railway Station <i>Harini Adithya Welarathna and Chamila Tharangani Danthanarayana</i>	C1.3	A citizen volunteered application for rural commuters to manage traffic congestion - Potentials for a GIS based mobile application <i>Granie R Jayalath</i>

Technical Session 02 (Duration: 11:25 - 12:40)						
Track No.	A2 (Link : Room A)		B2 (Link : Room B)		C2 (Link : Room C)	
Session Name	Transport Externalities and Policy Interventions_2		Transport Planning_2		Transport Externalities and Transport Planning	
11:25-11:50	A2.1	Improvements to an Unsafe Ferry Crossing of the Kalu Ganga <i>Prince A. Fernando, Pavithra K. Baddewala, Dimashi R. Thabrew, Chapa Wijekoon, Navoda S. Fernando, Nikesala H. Gunarathne, Albert Janujan, Heshan Dayarathna and Dilini Pathirana</i>	C2.1	Analysis of vehicle ownership attributes in Western Province <i>K.P Dilini, Thivya Amalan and Amal S. Kumara</i>	B2.1	An Analysis of Customer Satisfaction about Green Cars <i>Saumya Dirukshi</i>
11:50-12:15	A2.2	Develop a Framework to Evaluate the Land based Value Capturing for financing infrastructure Development in Sri Lankan Cities <i>Tharane Perera</i>	C2.2	Trip-in-Motion Time Matrix for Deriving Temporal Windows of Time-of-Day Modeling <i>Sampath Chandrasena and Thillaiampalam Sivakumar</i>	B2.2	Use of Deep Learning as an Alternative to Manual Traffic Counts <i>Oshadhi Herath and T. Sivakumar</i>
12:15-12:40	A2.3	Impact of Innovations through Information Communication Technology and Green Energy in the Logistics Industry <i>Hirushan Dewanarayana and Shashithangane Weerawansa</i>	C2.3	A Comparative Study of ADT Estimation Models Developed For Sri Lankan Road Network <i>Prasad Jayarathna, Dulmini Kumari, Chathuri Sewwandi, Shiran Madusanka, W.R.S.S. Dharmarathna, A.M.R.G. Athapaththu and I.M.S. Sathyaprasad</i>		

12.40 -13.40 Lunch Break

Technical Session 03 and Award Ceremony (Duration: 13:40 - 15:40)						
13:40-13:45	Introduction of Afternoon Session Chief Guest: Mr Monty Ranatunge, Secretary, Ministry of Transport					
Track No.	A3 (Link : Room A)		B3 (Link : Room B)		C3 (Link : Room C)	
Session Name	Logistics and Supply Chain Management		Transport Operations_2		Post Graduate Presentations	
13:45-14:10	A3.1	Estimating the catchment area of a supermarket in Sri Lanka <i>A.L.A.C. Pathiraja, P.C.P. De Silva and A.B. Jayasinghe</i>	B3.1	Improving the efficiency of existing office transport services - A connectivity-based case study <i>Mindi Karunaratna, Tharushan Nirupadhi, Pramodika Madushani, Kusal Silwa, Akesh Malshan, Tharinda Gunasekara, Nafly Rafaideen, Kasun Waduge and Banusha Aruchunarasa</i>	C3.1	A Generalized Process for Transport Project Evaluation <i>Janaka Weerawardana</i>
14:10-14:35	A3.2	Critical hurdles in using blockchain to improve supply chain information sharing <i>Kavith Balachandra and Dineth Dhananjaya</i>	B3.2	Solutions to reduce Queue Length for tickets in railway stations: A case study of Kollupitiya Railway Station <i>Dumindu A. Kandamby, Sachintha Karunaratna, Seyani Y. Navodya, Kalpani Madhavika, Yasiru S. Geevinda, Masha D. Jayasuriya, Rawindu P. Wijayarathna, Rewaideen M. Fahim and Dilini K.P.</i>	C3.2	Analysis of Constraints for Developing Rail Freight <i>Lakna Warnapura</i>
14:35-15:00	A3.3	A Simulation Model for Evaluation Warehouse Layout Design Parameters based on Process Strategy <i>Sadna Dissanayake, Thashika Rupasinghe and Hiruni Niwunhella</i>	B3.3	Develop A Suitable Method to Evaluate Mobility Levels In Urban Areas Of Sri Lanka <i>Chameli Kavindya</i>	C3.3	Optimizing Information Flow to Enhance Demand Planning In Sri Lankan Apparel Supply Chains: A Statistical Approach <i>Uthpalee Hewage</i>
15:00-15:25	A3.4	Sri Lankan Vegetable Supply Chain Mapping and Comparison with International Best Practices <i>Vishwajith Rajapakse and Amal Kumarage</i>	B3.4	Assessing the Public Transit Service Performance of an Intra-city Bus Route of a Medium-Sized City in Malaysia <i>Nur Syazwani Rosli and Abdul Azeez Kadar Hamsa</i>	C3.4	Home Based Trip Identification from CDR data <i>N.K.Bhagya</i>

15:25-15:30 Afternoon Session Chief Guest's Speech: Mr Monty Ranatunge, Secretary Ministry of Transport

15:30-15:40 Awards Ceremony (Click Venue Room A)

15:40	Closing Session (Click Venue Room A)
